

GRAFIKS

For graphic design & Printing

COMPANY PROFILE

ABOUT US

Grafiks is a young and vibrant company with experience in many different service and product offerings. Our aim is to focus on your needs and we offer each client a dedicated client service team to help you throughout the development and building of your brand. We can create the brand identity you require and build your brand awareness through the countless services and products we offer. Put your brand in our hands and we will show you the way forward. Grafiks offers you services helping you to establish your market presence. We understand the importance of making a good impression and the value creativity can add in transforming your company's corporate image into a powerful punch.

Mission

To become one of the giants in the Design and Printing Industry. This is to be achieved by offering our clients specialized and cost effective services, while continuing to grow and expand our scope and location of our activities.

Vision

Grafiks is to be the leading Design and Printing company in Africa. To focus on continuous and sustainable top and bottom line growth. To create a desirable place of work, being a natural home for creativity and enthusiasm, within a safe working environment. To create employment for the people of South Africa.

Our Values

We strive to satisfy our clients with superior quality and service. We value speed, delivery, promptness, order and structuredness, courteous approach, humility and unquestionable sense of fairness.

Our Quality

We provide our clients with the opportunity to concentrate on their core business by taking care of their communication requirements. Our staff are highly accomplished and passionate with both managerial and technical skills. They are dedicated to provide clients with the quality they deserve.
